

## *Offshore Cleaning Systems'* *Mission Statement*

*“Offshore Cleaning Systems is committed to providing quality and value to its customers and a safe and stable work environment for its employees. Our objective is to become the leader in our field through the application of work ethic, responsible safety and environmental management policies, creative thinking and an unwavering commitment to customer satisfaction.”*

## *Vision Statement*

*“Offshore Cleaning Systems is a company that is rooted in quality and integrity. We are of the belief that each employee of our company is as important as the next. We treat others as we would have them treat us. This philosophy is backed by the manner in which we compensate our employees, both monetarily and personally. It is evident in our safety record, the attitude of our employees, and the satisfaction of our customers. Our attention to detail is paramount. Our strict adherence to our policies is crucial to the success of each and every family associated with our organization. Their safety and security will not be compromised. All of this leads to our vision, which is to lead our industry, globally. All of us at Offshore Cleaning Systems share this vision.”*
